ENVIRONMENTAL CHARTER

For responsible tourism at Domaine de la Commanderie de Ballan

Domaine de la Commanderie de Ballan is committed to a global approach to Corporate Social Responsibility.

Concerned about the environmental impact of our business, we manage our activities and services in compliance with the strictest environmental regulations, and are committed to :

-  **Monitor, reduce and optimize all our energy, water and other consumption.**
-  **Sort and recycle our waste;**
-  **Promote responsible purchasing (local, organic, fair trade);**
-  **Raise awareness, train and advise our customers, subcontractors, suppliers and partners in our commitment to the environment, making every employee an ambassador for our environmental policy;**
-  **Ensure consistently high quality for our customers;**
-  **Promote responsible tourism that enhances the preservation and balance of all;**
-  **Reduce the impact of our activity through simple gestures.**

By following this Environmental Charter, we aspire to create a positive impact on our environment, actively contributing to the preservation and balance of our planet, while offering enriching and respectful travel experiences for our customers.
